Steidl Publishers, Germany, 2012. Hardback. Book Condition: New. 258 x 210 mm. Language: English . Brand New Book. Robert Graham: Early Work 1963-1973 compiles rarely seen works by the American artist (1938-2008), providing an overview and reconsideration of Graham s initial engagement with Minimalism and figurative sculpture. Modeled after images found on television or in popular magazines, such as Life, Graham s early work presents Plexiglas-encased environments populated by miniature wax figurines engaged in leisurely or pleasurable activities. The ethereal surfaces of the artist s plastic enclosures are evocative of the highly finished and meticulous objects that have become associated with the so-called Finish Fetish aesthetic, and their interior spaces are suggestive of the geography of 1960s California as well as the modernist domestic interiors popularized by John Entenza s Case Study House Program. This volume is one of the few to focus on the early period of Graham s artistic practice--one characterized by a consistent preoccupation with scale and the human figure.
