Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It's been designed in an extremely basic way which is merely right after I finished reading through this publication where basically altered me, change the way I believe.

North Star Press of St. Cloud, United States, 2013. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. The poems in Love from the Yellowstone Trail stem from my childhood. I spent my first eighteen years within sight of the Missouri River seen from our front porch steps in South Dakota. Thus rose six poems about the river. The Yellowstone Trail is an old name for stretches of the current Highway 12. Thus rose the book s title and a way in and out of the book s sections, just as the Trail was a way in and out of my hometown. On the Missouri s west side lies the Standing Rock Reservation. You drive across the Singing Bridge and when your wheels hit land again you re on the rez and in Mountain Standard time. That was always fun for me as a child: gaining or losing an hour within a couple of minutes. Thus rose nine poems about the Hunkpapa and other Lakota/ Dakota who live on Standing Rock and in my hometown. The book s last section is about houses, anyone s houses.
