Brand New Book ***** Print on Demand *****.Excerpt from The Spirit of the Chinese People: With an Essay on Civilisation and Anarchy The object of this book is an attempt to interpret the spirit and show the value of the Chinese civilisation. Now in order to estimate the value of a civilisation, it seems to me, the question we must finally ask is not what great cities, what magnificent houses, what fine roads it has built and is able to build; what beautiful and comfortable furniture, what clever and useful implements, tools and instruments it has made and is able to make; no, not even what imstitutions, what arts and sciences it has invented: the question we must ask, in order to estimate the value of a civilisation, - is, what type of humanity, what kind of men and women it has been able to produce, In fact, the man and woman, the type of human beings - which a civilisation produces, it is this which shows the essence, the personality, so to speak, the soul of that civilisation. Now if the men and...
