Except If

By Jim Averbeck, Jim Averbeck

Simon & Schuster. Hardback. Book Condition: new. BRAND NEW, Except If, Jim Averbeck, Jim Averbeck, In the beginning, there is an egg. Which may become a baby bird, except if it becomes a baby snake instead. Except if the baby snake is really truly a dinosaur! In this young, clever, and whimsical picture book in the spirit of "Not a Box" and "First the Egg," an egg is not just an egg, but a symbol of the potential a child's imagination holds. As each image melds smoothly, but unexpectedly, into the next, readers are invited to stretch the limits of their imagination.

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
