Farrar, Straus Giroux Inc, United States, 2015. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. A powerfully moving meditation on life and the beyond, from one of our finest American poets Charles Wright s truth the truth of nature, of man s yearning for the divine, of aging is at the heart of the renowned poet s latest collection, Caribou. This is an elegy to transient beauty, a song for the stepchild hour, / belonging to neither the light nor dark, / The hour of disappearing things, and an expression of Wright s restless questing for a reality beyond the one before our eyes (We are all going into a world of dark . . . It s okay. That s where the secrets are, / The big ones, the ones too tall to tell). Caribou s strength is in its quiet, wry profundity. It s good to be here, Wright tells us. It s good to be where the world s quiescent, and reminiscent. And to be here in the pages of this stirring collection is more than good; Caribou is another remarkable gift from the poet around whose influence the whole world seems to orbit in a kind of meditative, slow circle (Poetry).
