The question that diverts us all is first presented in the toddler years when the mastery of getting dressed is a triumph and opinions about clothing are emphatic. These four board books illustrated by collage-artist Marthe Jocelyn are a unique tribute to the colors, textures, and patterns that make clothes a child's favorite pastime. Ready for Winter displays a full wardrobe, introducing lovely words like "turtleneck" and "galoshes," and allowing even the very young reader to be an expert on what should be worn next season.
