By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from All America Cables: Cable Tariffs and Other Information of Interest to the Cabling Public The All America Cables System The All America Cables system is operated jointly by the Mexican Telegraph Company and the Central and South American Telegraph Company. The former company was established in 1879 and the latter in 1881. The system is composed of the following lines of communication, viz.: Via Colon From New York, there are two direct duplexed cables to Colon, touching at Guantanamo, Cuba. These cables continue across the Isthmus of Panama by means of duplicate underground cables uniting with cables at Panama, extending down the west coast as far as Valparaiso and serving the Republics of Colombia, Venezuela, Ecuador, Peru, Bolivia and Chile. From Valparaiso, Chile, the lines (triplicate) extend to Santiago, and, also, across the Andes to the city of Buenos Aires, in the Argentine. An All America cable is now being installed between Buenos Aires, Argentina, and Montevideo, Uruguay, and it is expected will be in operation within a short time. ### Reviews

*It is really an remarkable ebook that we actually have ever read through. I actually have study and i also am confident that i am going to gonna study once more yet again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Ewell Rempel**

*Completely essential read through ebook. This can be for all who statte there was not a well worth reading. You wont really feel monotony at at any time of your own time (that's what catalogs are for relating to if you request me).*
