

Martin Mystere: Investigador de Lo Imposible: Fantasmas de Otros Mundos (illustrated edition)

By Alfredo Castelli

Public Square Books. Paperback / softback. Book Condition: new. BRAND NEW, Martin Mystere: Investigador de Lo Imposible: Fantasmas de Otros Mundos (illustrated edition), Alfredo Castelli, Martin Mystere is a very unorthodox detective. For one thing, he doesn't have any clients. Martin delves into the great enigmas for which the scientific world had not yet found a rational solution - from archaeological to scientific to historical mysteries, occasionally venturing into the field of UFOs, ESP and magic. Martin is an Indiana Jones type adventurer in that he isn't just a man of action-he's also an archaeologist, an anthropologist, an art expert, and a collector of unusual artifacts. And Martin has a creative streak to boot-he uses his experiences as inspiration for best-selling books and for a TV show called Mystere's Mysteries.
