Gateswood Press, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.For the first time in US History there is a spiritual, political, and social earthquake coming across the horizon. A Prophet is about to walk the streets of America. His word will confront wickedness and declare God s judgement on the sins of America. The Prophet will challenge this nation, her people, and plead with her to repent. Have you ever wondered why our nation is in the shape it is in? How did it get this way so quick? Where did it start? Who started it? What will stop it? The author, Melvin Barnett, answers these questions through a journey of spiritual, social and political issues Americans are facing each and every day. This journey is through the voice of the Prophet who declares God s Word to this nation. In this novel, the very unction of the Prophet s message may send chills through your body as you experience a depth of spiritual, social and political awareness you have never felt before.
