

Electromagnetic Radiation Survival Guide: Step by Step Solutions -Protect Yourself Family Now! (Paperback)

By Dr Jonathan Halpern, Jonathan Halpern

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 251 x 201 mm. Language: English . Brand New Book ***** Print on Demand

*****.Electromagnetic Radiation Survival Guide is a practical and actionable step by step, complete and up to date EMF/EMR detection and protection guide and reference manual. It covers the most important EMF/EMR issues including cell phone telecommunication towers, smart meters, cell phones, tablets, laptops, Wi-Fi, Blue-tooth, hi voltage electrical cables, electrical appliances and wiring. Dr. Jonathan Halpern, PhD has extensive background in Health Sciences and Engineering and a keen interest in EMF s role in health and sickness.The proliferation of electrical power and wireless technology has caused a massive increase in electromagnetic fields (EMF) in our environment. There is now substantial scientific evidence that Electromagnetic Radiation (EMR) exposure well below existing safety standards may cause a range of bio-effects that increase the risk of serious diseases including cancer, neuro-degenerative disorders, sleep disorders and behavioral disorders. Indeed EMF has become one of the greatest health hazards of our times. The time to protect ourselves against electromagnetic radiation is NOW.
