Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

Not illustrated. 1918 Excerpt: .report service: an illustrated lecture on safety and industrial hygiene at no expense, except the entertainment of the lecturer, provision of the hall and lantern operator, if the lecture can be given as one of a series in the vicinity of the member company; also the free inspection service. The Safety Institute of America was organized and is maintained for the prevention of accidents, the elimination or lessening of occupational diseases, and the promotion of industrial welfare through health, efficiency and cooperation. There are now twenty-six museums of safety and institutes for the study of industrial hygiene in the world. The American Museum of Safety--twelfth in the world series of museums--was incorporated by special charter from the Legislature, Chapter 152 of the Laws of 1911, of the State of New York. It is the only institution of its kind in the United States. Location: At 14-18 West Twenty-fourth street, where it occupies the street floor, mezzanine and basement. Its collections include not only actual devices and models of safety and sanitary appliances, but also a highly specialized library of books, pamphlets, reports, photographs and lantern slides, illustrating the simplest and most practical methods of protecting dangerous machines and processes. The Institute is absolutely non-commercial and does not sell or take orders for any of the devices it exhibits. Hours: Open daily from 9 a. m. to 5 p. m.--except on Sundays--and free to the public. It is closed on Thanksgiving Day, Christmas Day, New Year s...
