Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Reason Why This little work is written simply for the good it may do. Several different ones have asked this question. There is no attempt at word picturing or other embellishment, but in condensed form we have endeavored to place the arguments and scripture texts before the reader, so as to make plain the arguments and the proofs desired. The first writing made a book over three times this size, but we have endeavored to produce the necessary arguments in this condensed form for the reader s benefit. This is not a new belief or idea, but an old subject revived. It was the belief of writers in the first, second, third and fourth centuries, but since then has been a neglected subject. The only originality professed is the Bible proofs collected and used in the argument. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
