Brand New Book ***** Print on Demand *****.Excerpt from Talks on Church History A sower went forth to sow his seed. In this picture of a farmer at work, our Lord describes the origin of the Church, which is the Kingdom of God in the world. It is planting in the hearts of men the seed of Truth which, when properly nourished, has the power to grow, to transform dead mineral into living organic life, and to reproduce itself a hundredfold. It is the introduction into the world of a new kingdom, a new power which shad redeem men and make them the sons of God and heirs of eternal life. In some cases the soil was rocky or full of thorns, and here there was no result, but where the soil was good, the harvest was swift. For many generations the Jews had been looking forward to the coming of Christ. (The Greek word for the Hebrew term Messiah). The Hebrew prophets had done their best to prepare the mind and heart of the people for this greatest of all the Prophets, but the Jews did not, as a nation, receive him. Nevertheless it was among devout Jews that Christianity had its origin. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
