Excerpt: . . . elements of an indirect cost pool and an indirect cost rate allocation base. Inaccuracies in these costs would render indirect cost rates and resulting indirect costs inaccurate. Title 40 CFR 30. 21 (b) (7) states that a recipients financial management system shall provide for accounting records including cost accounting records that are supported by source documentation. In addition, Title 40 CFR 30. 21 requires the Foundation to maintain an accurate, current, and complete financial management system. The Foundation did not comply with either of these requirements. Foundations Response The Foundation did not address this finding. Unallowable Preaward Costs The Foundation reported 19, 038 under grant X82835301 for costs incurred by The Grizzle Company. The costs were billed to the Foundation prior to award of the grant. However, the Foundation did not obtain the prior approval for preaward costs required by Title 40 CFR 30. 25. Without prior approval, the costs are...
