St Martin s Press, United States, 2013. Paperback. Book Condition: New. Reprint. 206 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.At the end of State Road 170 lies Artemis, population 2500. The townspeople had sought out this remote corner of western Texas in hopes of living lives of solitude and independence. None of them realized that their small town would become a hot spot for Mexican drug runners, whose turf battles have turned both sides of the Rio Grande into a war zone. Still, many of the locals would rather take the law into their own hands than get help from police chief Josie Gray, even when they re up against a cartel s private army. After arresting one of the cartel s hitmen and killing another, Josie finds her own life at risk for doing a job which many people would rather see her quit. And when the town s self-appointed protector of the Second Amendment is murdered, it s clear that she doesn t have to pick sides in this war. She s battling them both. Set in a desert landscape as beautiful as it is dangerous, *The Territory* , winner of the 2010 Hillerman Prize and a Sun-Sentinel Best Mystery Debut of the Year, captures the current border issues from the eyes of a tough, compelling heroine.
