The Leadership Integrity Challenge points the way. Demonstrating both breadth and depth, The Leadership Integrity Challenge: How to Assess and Facilitate Emotional Maturity by Ed Morler, M.B.A, Ph.D., wins Best Business Book of 2005 and also was finalist in the categories of Best Social Change Book and Best Professional/Career Book. Best Books Awards presented the awards. Former Commander-in-Chief of the Strategic Air Command, General Jack Chain stated, The Leadership Integrity Challenge is a seminal work on a critically important subject. It has application for all walks of life, across all cultures, from personal growth to leadership development. It should be a priority read for any executive, supervisor, manager or aspiring leader. Raise emotional maturity and we have contributors who are more secure, discerning, responsible, productive, and happy. From that empowered foundation, knowing what is right and acting on it becomes a natural, elegant occurrence. The Leadership Integrity Challenge provides the tools to develop a core competency in assessing and facilitating emotional maturity (our own and others)-all key to creating a culture of integrity. It is the first book to offer a workable approach capable of moving beyond simply dealing with symptoms and compliance issues and actually generating an environment of character and integrity. Chock full...
