Dog Ear Publishing, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Terrorist attacks, hurricanes, pandemic, earthquakes, tornadoes, oil spills, floods and tsunami - Ed Minyard has responded to them all. Over the past 10 years, Ed has been involved in almost every major crisis in and around North America - and one long-range mission to Japan. This book describes his adventures and presents a view that most have never seen - from inside the Heart of Chaos. Read of Ed s experiences with politicians, heroes, tragic victims and yes, the inevitable crooks that always seem to be there to exploit these events. Ed tells it like it was - no holds barred. In the end, it s the lessons from these terrible events that matter. Ed expresses those lessons with straight-talk, peppered with a bit of (sometimes dark) humor. Above all else, this book will educate the reader in the subject of preparedness - but only if you take the lessons to heart. That part is up to you.
