Hal Leonard Corporation, United States, 2012. Paperback. Book Condition: New. 276 x 212 mm. Language: English . Brand New Book. (Educational Piano Library). In Practicing the Piano, Nancy O Neill Breth offers a broad selection of practice tips with musical examples to help students of all ages find imaginative solutions to pianistic problems. The book explores how to: organize practice time; map music before practicing to uncover the musical terrain that lies ahead; use practice time effectively from the first reading through performance; develop fluency with accuracy; polish and memorize a piece; and lay the foundation for confident performance. Practicing the Piano is a handbook of practice techniques. Teachers can use it to reinforce and augment their own ideas on practicing. Parents will find a wealth of ideas for guiding their children s practice sessions. Students young and old will discover how to make each practice session count. Using the book s wide range of practice tips not only improves a pianist s skills, but also adds adventure and enjoyment to the process of mastering a piece.
