Bookline and Thinker Ltd. Paperback. Book Condition: new. BRAND NEW, Terms, Ben Lyle, Twelve-year-old James hates life at his hippy boarding school where lessons are optional, homework forbidden and school rules decided by democratic vote. All he wants is an academic education with proper exams. When a strict new maths teacher strides into this world of peace, love and fringed ponchos, James latches onto him as a symbol of hope. At first, Mervyn's eccentricities seem comic but as a more tragic story unfolds, the adult James is forced to confront his own part in a grand downfall.

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
